

Simply Domestic Collections

Who are we?

Simply Waste Solutions is an experienced waste management company that has over 13 years' experience in collecting business waste. We pride ourselves on being a customer centric business with a zero waste to landfill approach.

What is this service?

This domestic waste collection service is designed for households that have excess waste and need additional collections on top of their domestic council collections. We will empty your existing two-wheeled household bins as a one-off service or a regular one, or hire you a bin for a dedicated collection. You can choose if you need a collection fortnightly or weekly.

How do I get it?

If you're interested in the service, you can start this service by filling in the order form on our website. If you have any questions you can email sales@simplywastesolutions.co.uk or call the office on 03330 433 033. We need to know what day suits you best, how many bins you need emptying and if it's an ad-hoc service or a regular scheduled collection. Payment will need to be made in advance of your first collection, prices are at the bottom of the page.

What if I forget to leave my bin out?

Please treat this collection as if it is your typical council kerbside collection. If you have forgotten to leave your bin out for us, we will be unable to empty it on the arranged day. Please contact us to see if we can rearrange the collection to take place later in the week.

What if I have extra waste?

If you have extra waste that you would like collected, please let us know in advance so that we can arrange payment before attending. We will only empty the amount of bins that you've ordered and any waste that is left outside of the bin will not be collected unless pre-ordered. If you have contacted us about extra waste, please make sure it is in rubbish bags and placed next to your bins.

Pricing

Bin Type	Service Type	Cost per Empty	Rental Per Week
Your Own 2 wheeled bin	One Off	£15	-
Your Own 2 wheeled bin	Scheduled	£13	-

What waste does Simply Waste Solutions collect?

We will collect anything that your council would collect in your regular bins, such as:

- general waste
- mixed recycling
- paper
- food waste
- green / garden waste

We will empty all waste detailed above that has been placed in your existing two-wheeled household bins.

What waste will we not collect?

- batteries
- electrical appliances
- bulky waste
- construction waste
- large pieces of wood
- hazardous waste
- chemicals

If you're still unsure of what waste you can place in your bin, you can visit your local council's website for more information.
